

## TERMS AND CONDITIONS

You have been invited to join the 2010 Duncan Racing International Support Team. Duncan Racing has long been a leader in the ATV racing field, winning more races worldwide than any company in the industry over the last decade. Team Duncan Racing has been built and prospered by associating itself with quality racers and their family's and pit crews.

**To be accepted on the 2010 Support Team each racer must agree to a few but serious conditions.**

1. All 2-Stroke riders must use Paul Turner Pipe and Fat Boy Silencer.
  2. All 4-Stroke riders must use Duncan Racing FatBoy4 4-Stroke Exhaust.
  3. All racers must run DR decals on each side of their machine(s).
  4. All racers must turn in a clear and legible photo (emailed or CD with digital photos, preferred) of themselves and their machine(s) to supportteam@duncanracing.com. (Action photo preferable, of good quality with DRI product on machine.)
  5. All racers must email in quarterly race reports, updating their results to supportteam@duncanracing.com.
  6. All racers must agree to DRI Support Team's Terms and Conditions.
- Please fill out and sign the DRI Support Team Application and Resume Questionnaire and mail them to DRI.

**In return for their support of conditions, each racer will receive the following:**

- DR 2010 Support Team Starter Package. (Including; DR T-Shirt, DR Banner, Decal Kit, DR Hat and DR Trailer Decals.)
- All racers will be given access to DR technical phone support.
- Racers will be given race support at selected events nationwide.
- Selected support team members will be listed on the Duncan Racing website, [www.duncanracing.com](http://www.duncanracing.com)
- Support Team members have their own e-mail address for contacting Duncan Racing regarding support; supportteam@duncanracing.com

At Duncan Racing we pride ourselves on building the best and most reliable products in the ATV industry, while still maintaining outstanding customer service. When we go racing, we put in and expect to get back the same results as we do in our day-to-day business operations. If you are ready to step up to the next level, fill out the enclosed 2010 Support Team application and mail it back today.

Good Luck,

Kevolyn M. White  
Support Team Coordinator
